

THE  
GREAT  
GET  
TOGETHER

# PARTY IDEAS

## 1. LANTERN PARADE

If your Great Get-Together turns into a Dinner After Dark, a lantern release, or even parade, can be a great way to show unity. There are instructions on our website with full details, but this is something that really brings people together.

## 3. STREET QUIZ

Is someone in your street a hidden quiz-master? Do you know the history of your 'hood? Why not get together and create a pub quiz, but about your area and the people who make it special? 20-30 simple questions can be a good way to break the ice and get people to learn more about where they live.

## 2. 'WHAT WE LOVE' WALL

The Great Get-Together is a chance to remind ourselves of what we all have in common and share what we love about where we live. So grab some colourful chalk and draw an area on the sidewalk, street or wall where people can write and share those thoughts – a 'What we love about our neighbourhood' wall.

## 4. YOUNG REPORTERS

A great one to keep teens involved, when they might otherwise feel sceptical. Hand them a camera and notepad and make a record of the day. Interview people, take photos and maybe even video – then put it all together at the end of the event for everyone to remember the great day for people to learn more about where they live.
